GRAND TRUNK R.R.

S.D. Warm CO.  
LOCOMOTIVE #1

This locomotive was built in 1880 by the  
S.D. Warm Company of Warm Springs, Georgia.  
It was used to haul ore from the Warm  
Springs mine to the Warm Springs  
station. It was later used to haul  
ore from the Warm Springs mine to  
the Warm Springs station. It was  
later used to haul ore from the Warm  
Springs mine to the Warm Springs  
station. It was later used to haul  
ore from the Warm Springs mine to  
the Warm Springs station.
