

## Neuse River Valley Model Railroad Club

PO Box 19573  
Raleigh, NC 27619

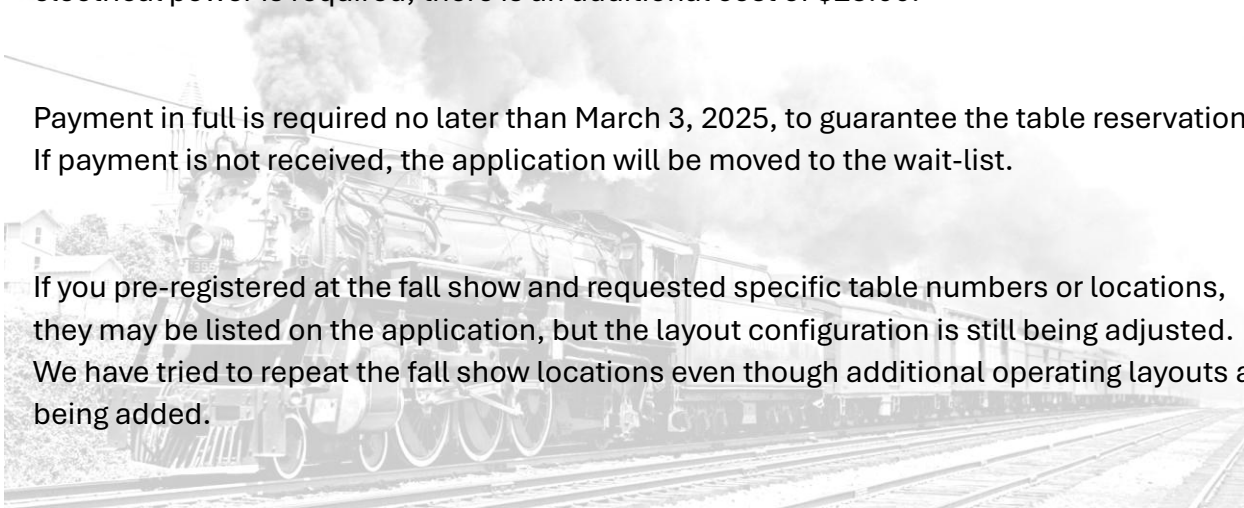

Greetings Show Vendors,

The 8th annual Neuse River Valley Model Railroad Club's **Spring into Trains Show and Sale** will be held May 3-4, 2025, in the NC State Fairgrounds Exposition building (the same building as the 2024 November show). And yes, the 2025 fall show moves back to the larger Jim Graham building.

Please complete the enclosed Vendor Application and return it with your payment as soon as possible, as there will probably be a waiting list based on the vendor interest already expressed. Please note the table pricing, the included number of chairs and badges, and cost for additional chairs when the total cost is included. The included Terms and Conditions are a part of the Vendor Application and must be followed. Please confirm if electrical power is required; there is an additional cost of \$25.00.

Payment in full is required no later than March 3, 2025, to guarantee the table reservation. If payment is not received, the application will be moved to the wait-list.

If you pre-registered at the fall show and requested specific table numbers or locations, they may be listed on the application, but the layout configuration is still being adjusted. We have tried to repeat the fall show locations even though additional operating layouts are being added.

There will be 7 or 8 working layouts of spectacular craftsmanship available as well as other static displays and we expect large crowds, so thank you for your patience with us, but we are diligently working to make this the best show ever.
