In addition to those mentioned above, we also had an additional twenty four guests present from throughout the region. This included members of several other clubs as well as several people that are unaffiliated with any organization.

4. Membership Committee

Bob Witwer made a motion to accept Joe Mehrlich as a Junior member of the Club. The motion was seconded by Alan Bradley and passed unanimously.

5. Program

The program was the SCALETrains Road Show presented by Shane and Michelle Wilson of SCALETrains. This was a very interesting program telling the story of their company and the way models are designed and manufactured.

6. Adjournment

The meeting was adjourned at approximately 8:00 pm.

Following the meeting the attendees were invited to our Clubhouse to run trains. The entire event was a big success.
